What's Ecole International Prep-School?

Ecole stands as the fulfilment of the dream of a skilled young generation who can contribute to national resources and boost the moral development. This destination for incubating the youth by fostering magnanimity in them will also take them to the summit of science and conscience.

Vision

We aim to facilitate a fertile ground for the overall growth of the next generation with their souls engraved in spiritual values and their skills ranging from coding to critical thinking chiselled to meet the unseen future of science and technology'

Mission

Our hallowed mission is to set up an atmosphere for educational growth, emotional intelligence and spiritual values so that we will mould a different stream of efficient and ethically grounded cosmonauts, tecnosapiens and metapolitans.
